LAND
ULTIMATE HEAD PROTECTION

SPECIFICATION SHEET

TYPE I · CLASS C & E SAFETY HELMET

ECOPRO

Lightweight, cost-effective protection with modular flexibility, designed for extended wear and large workforce deployment.

Type I	Class C & E	440 / 444 g	51–64 cm	6-point
Top impact	E tested to 20,000 V	Weight, Class C / E	Head size range	Suspension system

KEY FEATURES

Lightweight & comfortable — designed for extended wear, with full mobility without compromising safety

6-point suspension — distributes impact forces evenly, reducing pressure points for long-term comfort

Ventilated version — optimally placed vents maximize airflow, keeping workers cool in demanding environments

Non-vented version — available with 20,000 V electrical protection rating

Smooth Glide ratchet — easy one-hand dial gives a secure, snug fit for every user

Accessory slots — integrated universal slots for earmuffs, face shields, visors and headlamps, adaptable across industries

Cost-effective safety — reliable protection and modular flexibility at an affordable price point

CARE

1. Inspect the shell, suspension, chin strap, ratchet and accessories before use.
2. Clean with mild soap and lukewarm water. Avoid harsh chemicals, solvents and abrasive materials.
3. The sweatband is removable and washable for easier routine maintenance.
4. Let components dry completely before storing in a clean, protected location.

CERTIFICATIONS

ANSI/ISEA Z89.1	2014 Type I, certified by COLTS & SEI
Class C	Conductive: no electrical protection
Class E	Electrical: tested up to 20,000 V
Class G	General: tested up to 2,200 V
EN 397	Industrial helmet certification
EN 50365	Electrically insulating helmets for use on low-voltage installations

MATERIALS & INTERIOR

Shell	ABS/PC (Acrylonitrile Butadiene Styrene / Polycarbonate), high-impact outer shell
Ventilation	Vented (C) · Non-vented (E)
Suspension	6-point, height adjustable
Comfort liners	Polyurethane; removable, washable padding for hygiene
Straps	High-tensile webbing, strong and durable for daily use

BUILT FOR

Construction • Utility & maintenance work • Industrial safety & manufacturing
