

## TYPE II CLASS E SAFETY HELMET

### PRODUCT FEATURES:

- **Modular Design:** Built with interchangeable snap-on parts, including:
- **Snap-on Brims & Visors** – Adaptable front, side, and back brim options.
- **Universal Accessory Rails** – Compatible with earmuffs, face shields, and lighting systems.
- **Custom Side Inserts** – Allow quick upgrades or replacements depending on jobsite needs.
- **Comfort-Fit Suspension:** 6-point ratchet system ensures balanced weight distribution and comfort. Fits sizes 55 - 63 cm
- **Chin Strap with Quick-Release Buckle:** Prevents helmet displacement during falls or climbing.
- **Customization:** Options for company logos, reflective decals, and color configurations.
- **Magnetic Chin Strap Buckle:** The 4-point magnetic buckle allows for fast, convenient fastening and release, helping crews put on and remove the helmet quickly and easily.
